Principal's Report

Communication about concerns If you have concerns with an SD8 process or decision, check out the following (<https://www.sd8.bc.ca/parents-students/communication>) to see proper channels to address the situation and resolve the concern. Your principal can help with any situation!

Basketball season underway We have several basketball teams practicing and preparing for games and tournaments. The season runs from December to March. Some of our teams are coached by community coaches and some are coached by staff members.

First LLEs end next week Students are picking their term 2 LLEs and we will post those lists in homeroom classrooms next week. We are not making changes to LLE2 lists and need students to pick 4 LLEs and be happy with any one of them.

Ski Days for Students We have three ski days lined up for each grade at Trafalgar. Grade 6 will take to Whittewater on January 10, 17 and 24, grade 7 on Jan 16, 23 and 30, grade 8 on Feb 24, Mar 3 and 10, grade 9 on January 14, 28 and Feb 4. Lessons for school groups are mandatory even for the most accomplished skiers and snowboarders. We encourage families to participate with the school instead of sending their child up to the hill on those days to ski with their friends but not be supervised by the school. It puts the school in a tough situation.

Enrolment for 25/26 Mr. Mush and Ms. Foster will start gathering information and enrolment numbers from our elementary feeder schools in order to submit numbers for a January 31 deadline. We report on numbers in English classes, French Immersion, inclusion support student numbers, Aboriginal Education students, and English Language Learners. The Grade 5 French Immersion parent information meeting (online) is scheduled for Thursday, Jan 9 at

Willy Wonka Jr Our drama department is gearing up for a March 2025 presentation of Willy Wonka Jr. Students have enrolled in the Musical Theatre Drama for terms 1 and 2 and the cast and crew are coming together nicely. Stay tuned for more information in the new year.

New SchoolMessenger App School District 8 is working on a new communication app where parents can opt in to receive texts, emails and even voice messages regarding student absences, lates, info on events and other pertinent school info. An introductory email was sent by Mr. Mush on 10-DEC-2024 to parents and guardians. More info will be available soon.
