5. Principal's Report – Tim (see full report below)

6. DPAC Report – Lorien

During the May meeting, the superintendent gave specifics about the changes to Indigenous teachers vs support workers. The impetus for the change came from the voting members of the IEC in the district. The two FTE teachers will be replaced with five FTE support workers. If there aren't enough culturally Indigenous people to fulfill those positions, the district will take it back to the IEC.

The DPAC has gaming money left to spend, and will pay for one representative from each school to take a Food Safe course. If a PAC

member wants to take the Food Safe program, then it would be paid for by DPAC.

(The guest speaker was forgettable.)

7. New and Continued Business:

- 2026/2027 Prep

1st/ Toni; 2nd/ Jon. Approved.

Jon volunteered to draft the message for Tim to send out on Aug 24. The message will include information about the duties of each position in the executive and the time commitment.

Year End Trips Our grade 9 trip to Pines is coming up on June 17 to 19 and our grade 8 trip to Mirror Lake is happening on June 18 to 19. Grade 6s and 7s will have closer-to-home activities during the week of June 15 to 19. The idea is to build up to something a little more special each year. All year-end trips are either provided by the school or have only cost-recovery fees for participation. In addition, the school can help with any family needing financial assistance by reaching out to Principal Mushumanski via email.

Library Books As our year winds down, we are asking parents and students to have a good look around home for any Trafalgar library books. Please start sending those library books back to us as soon as possible so we can ensure they are ready for the next school year!

Code of Conduct Updated We are making official changes to our code of conduct. We will continue to remove personal digital devices while students are on property and while in our care. We have seen a dramatic shift in social and academic engagement and far fewer power struggles over devices and screen time. We can provide

the new code of conduct write up but it is exactly as scripted in the email to parents when the PDD trial period began.
